Author's/Co-Author's* Statement

I hereby declare that the work submitted to The Publishing Office of Czestochowa University of Technology, entitled:

.....
.....
is my authorship/co-authorship* and is not subjected to the rights of third parties and has not been previously published. I transfer proprietary copyrights to Czestochowa University of Technology, as to the Publisher. The copyrights include revenue from the potential sales of the publication and the following fields of exploitation:

- fixation by printing and digital techniques,
- reproduction by any specified technique,
- introduction to the market, lending for use, and renting of the original work or its copies,
- storage of the work in computer memory,
- distribution of the work or its parts (summaries/abstracts) in IT networks, including computer networks (the Internet, local networks).

Corrections, modifications and additions have been introduced in accordance with the reviewer's comments. The Publisher has the right to make necessary editorial changes to the work, provided they do not infringe Author's moral rights. Furthermore, as the Author I assure that the work is an original, and does not contain any content borrowed from other works that could result in Publisher's liability, and that my copyrights on the work are not limited to the extent covered by this statement. My contribution to the creation of the work amounts to %. At the same time, I assure that all entities contributing to the creation of the work have been disclosed as co-authors, or will be listed in the acknowledgements section of the publication.

The Publisher emphasizes that if AI has been used in the process of creating the work, the following statement should be included at the end of the work, directly above the bibliography: "Declaration of the use of AI in the writing process", specifying the tool, time and reason for use.

The Publisher notes that if the work contains drawings, photographs, tables, or text excerpts that are someone else's work, it is required to clearly indicate the source, not only in the bibliography, but also in the caption of the drawing, photograph, table, etc., and obtain the original Author's permission. Obtaining the permission is the Author's responsibility. The lack of such consent and source indication is a copyright infringement and may result in legal consequences. The provisions of copyright apply to the borrowings from both Polish and foreign works (legal basis – Act of 4 February 1994 on Copyright and Related Rights).
